August 2024

Published by R & L Edwards (LREDANCE) lredance1@gmail.com

Would you believe over 500

During the last few months we have become aware of the number of sequence dances that there are, the list is endless, it consists mostly of English dances of course, then there are those of Australian and New Zealand origin and you will be surprised just how many of those there are, at the moment we have more than five hundred listed that be accredited to Australian choreographers and what a legacy they have left for our and future generations.

We have had great support from others in confirming these Aussie dances and we thank Denise McCracken who has searched numerous archives relating to dance origins, Don Heatherington who has also scripted some memorable dances and has been a tremendous source of information in compiling the following list

While this list is incomplete we thought that we would start sharing it with you, if you now of any others we would like to include them in future issues. And in no particular order, alphabetically of course here is the start.

Canowindra Twelve Hour Dance

The success of the 12 hour dance at Canowindra on the 23rd June 2024 was indeed the dance highlight of the year.

We were privileged to have the support of well known dance choreographers Andrea and John Barwick. Also the support of the town's people musicians Phil Redenbach and Barry Whitty and MC Doug Moorby.

The attendance of the dancers near and far was most creditable with a great atmosphere.

A big thank you to all that gave their time to help us including Canowindra Services Club, Blue Jacket Motel and Cabonne Council.

NEWS FLASH

After 28 fabulous years the festival that is Social Ballroom Dance Week on Norfolk Island is coming to an end.

June 2025 will be the last time to Live, Laugh & Dance on the beautiful Norfolk Island with The Dance Festival Inc (TDF).

It is with much sadness that Jan, Tanya and the TDF Committee have come to this decision, but the ever increasing costs and difficulties of continuing the festival remotely is becoming prohibitive.

We expect this will be met with much sadness throughout our dance community.

But don't panic! We haven't given up on Festivals. We have already started planning future events, commencing with our inaugural one in September on the Central Coast of NSW.

We hope you will join us to make the final Norfolk Island Festival one to remember and to go out with a bang!

As always there will be daily workshops, nightly social dances, a theme night and a formal ball, and for those lucky enough to extend their stay, bonus dances before and after the festival.

Further details are available in the attached flyer and via the Try Booking website.

Book early as we expect this event to fill up fast!

Please contact us at thedancefestival@gmail.com if you have questions.

28th Annual Norfolk Island Social Ballroom Dance Festival 2024

June 2024 was a great year at Norfolk Island and it started with the Committee heading over a week early to get everything ready as well as being on the Island for their Bounty Day celebrations. The Bounty Ball on Saturday night is all about the kids. They arrive beautifully dressed and, with a great deal of poise & grace (well mostly anyway), head to the dance floor as they dance the modern waltz to compete within their age groups from the littlies in kindy all the way to year 12. Such a wonderful night even if there is not much dancing for the adults. Celebrations for Bounty Day continue with the re-enactment of the Pitcairn Islanders arriving on Norfolk Island and continued through to a fabulous picnic for all those descendants in the Compound at Kingston. We were very fortunate to get an invite to that picnic and it really topped off a fabulous day.

All the dancers had arrived by Saturday and we headed off for a great welcome dinner at Bounty Lodge then off to Rawson Hall for a casual welcome dance. Rawson Hall is such a lovely venue & was our home for the rest of the week.

We had a great time with the workshops in the mornings this year with Tanya Kershaw & Jan Lawrence hosting workshops as usual but with the added benefit of Anthony Pepers & Terri Sciacca presenting a few as well. There was great variety this year with something for everyone from easy to challenging, slow to fast and many different rhythms to choose from and the feedback confirmed that the workshops were much appreciated and enjoyed.

Our nights were filled with music &, of course, lots of dancing. Time to catch up with old friends as well as making new ones along the way. Everyone had time to practice the new dances as well as request favourite dances.

Wednesday night was the Theme Dinner Dance "Cruise to Nowhere". What a terrific night with so many great outfits. Our meal was provided by the Lions Club again this year and it was hot & delicious.

With us all dressed up, we headed off to dance the night away & celebrate a great week on Norfolk Island at the Farewell Supper Ball on Thursday night. It was a beautiful night and was a great way to finish up this year's Festival.

Thank you to everyone that joined us this year to make such a memorable week and a massive thank you to the hard working Committee for all their work throughout the year to make this Festival possible.

That's All NorFolks

All good things must eventually come to an end and sadly in 2025 our 29th Festival will be our last at Norfolk Island. Bookings are already open so if you were thinking of coming over again or wanted to be part of this famous event, this will be your last chance.

You can book for 2025 by heading to TryBooking at www.trybooking.com/crvjv

News of Trentham Hall official opening

As mentioned in the June newsletter, the opening of the new Trentham Mechanics Hall took place on Friday 21 June. For those of you with an interest in and a soft spot for Trentham dances, here is a brief rundown on the new premises and the opening. The old hall is now the new library, but efforts have been made to retain the essence of the building. The new part of the building to the east is now the hall. There is a reception desk in the centre of the building, a new state-of-art kitchen, toilets which no longer have a slopey floor. There is a big carpark, with two electric charge stations, to the north of the site, with access from the road alongside the hall. It is a most impressive building with both the hall and the library quite spectacular. In the library, there is a feature wall of the honour boards which used to hang on the hall walls, a real effort to retain some of the history of Trentham and the Mechanics Hall.

The opening was a real success, with a crowd of perhaps 200 in attendance, including the Mayor, councillors, Federal and State MP's, those responsible for the planning and construction, many townsfolk and other interested people. There was also a welcome to country, a smoking ceremony and a short demonstration of indigenous dancing.

Those organisations which may have an interest in using the hall had been invited to exhibit what it is that they are involved with. As part of these expressions of interest, Ina and Graeme Bertrand were able to facilitate a half hour featuring Old Time dancing with about fifteen couples who answered Ina's roundup call for interested dancers to participate and show what CAN happen again in Trentham.

A 65-year-old woman had a heart attack. While on the operating table she had a near-death experience. Seeing God she asked "Is my time up?"

God said, "No, you have another 33 years, 2 months and 8 days to live."

Upon recovery, the woman decided to stay in the hospital and have a face-lift, liposuction, breast implants and a tummy tuck. She even had someone come in and change her hair color and brighten her teeth!

Since she had so much more time to live, she figured she might as well make the most of it.

After her last operation, she was released from the hospital.

While crossing the street on her way home, she was killed by an ambulance.

Arriving in front of God, she demanded, "I thought you said I had another 33 years? Why didn't you pull me from the path of the ambulance?"
(You'll love this)

God replied: "I didn't recognize you."
