

On the 3<sup>rd</sup> of December, line dancers from near and far came for a combined club Christmas social. It was hosted by Time To Shine Bootscooters and Bayside Line dancers. It was a lovely sunny day outside and looked like Christmas inside the Geelong Ballroom. The atmosphere was jolly and festive with lots of Yuletide cheer.

Across 5 hours, and with 114 dancers, there was lots of dancing. Some dances were old favourites, some new and there were golden oldies. There was something for everyone to dance to. The smiles were everywhere and everyone was having a wonderful time.

Thank you very much to Peta and Gwendolyn for this social. You both did an amazing job leading and walking through the dances. Thank you to the many helpers that made the so memorable. Without the help of everyone, this social would not have been so much fun.

I hope you all have a Merry Christmas and a Happy New Year.

Bernice.
